

**County ordinance requires you to license your dog(s) within 30 days of becoming a resident or acquiring a dog or puppy over 4 months of age.**

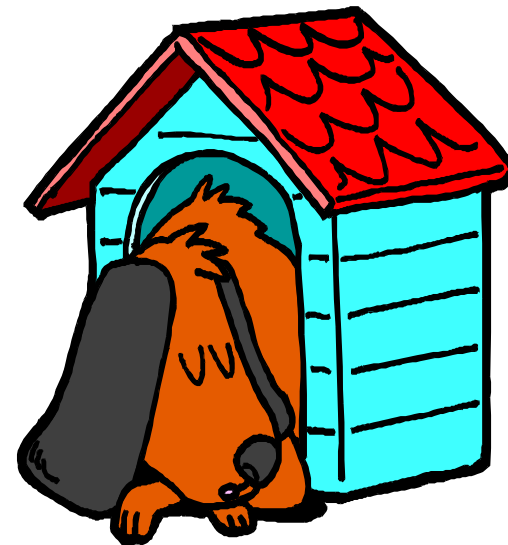

Don't wait until your dog(s) are lost, stolen or bite someone. Protect yourself and them from unnecessary costs and inconvenience. Just use this mail in form and save yourself time and gas.

If you live outside the city limits of an incorporated city you may purchase your dog(s) license by mail. Fill out the license application in this brochure, enclose a copy of your dog(s) rabies vaccination certificate from the vet or clinic where last given, and enclose the proper fee (see inside fee schedule). Your license(s) will be returned by mail along with any/all information you provided.

To qualify for the Senior Citizen Discount, you must provide a copy of proper identification along with proof of spay/neutering.
